INTERCONTINENTAL
LOGISTICS

SEA FREIGHT

ICL operate FCL (Full container loads) and LCL (Less than full container loads) worldwide, and service many of the worlds best known trade routes.

AIR FREIGHT

We source the best possible route and pricing. We have over many years built up excellent relations with many of the world's leading airlines.

ROAD FREIGHT

We cater for high value, hazardous and time sensitive cargo, all backed up by our team of highly motivated and long serving professionals.

COURIER

Urgent and same day collections. We have the expertise and partnership to service and excell in all of your courier needs.

ABOUT US

ICL is a privately owned British company which offers diverse freight solutions by road, sea and air. We work exclusively with an international network of partners that surpass our clients' expectations in every mode of transport.

Our aim is to continue in our core values to provide a first class service to all of our customers, both old and new. This can only be done by investing in people with a variety of skill sets and experience that will adapt to an ever changing global commercial environment and meet those challenges by being pro-active for the benefit of both ICL and its customers.

HOW WE WORK

- ✓ **Expansive network covering over 190 countries**
Our network of offices and partners worldwide means we serve ports in over 744 cities.
- ✓ **Fast quotes to service your purpose**
We aim to provide quotes within 24 hours or earlier, giving our customers the very best response rate.
- ✓ **Wide range of Value Added Services**
We are able to cover every node of the supply chain, from warehousing to final door delivery.
- ✓ **Experienced and multi-lingual staff**
Our helpful and experienced staff are always ready to support you with all your shipping needs.
